Night Quilter

Sunday, October 8th at 1:30pm via Zoom!

The speaker for our October meeting is Kitty Wilkin, Night Quilter, [@nightquilter](#). A quilter, pattern designer, and teacher, and well known for her "Quilt Your Life" quilts, Kitty will be teaching us all about how to take great quilt photos. As Kitty says, "I'm passionate about photographing quilts and the quilting process in a way that conveys the beauty and story behind each piece, and I believe that anyone can take great photos once they know the right recipe."

Are you attending QuiltCon and do not have a hotel? Is this your first QuiltCon show? Laura is here to help you.

NEW CHARITY QUILT DESTINATION

We are now sending our baby quilts to the Down Syndrome Association of Maryland. They provide new babies with a quilt and were in need.

Kennedy Krieger was not giving quilts out anymore, so we have changed where we are donating our quilts.

If you have a baby quilt to donate, we are collecting them at retreat and the November and December meetings, or email JoAnn at isewmuchtime@gmail.com

**We are looking for a few good people to be on the Board for 2024.
Can you help?**

Positions needed are as follows:

Vice President - serves one year and then becomes President

Charity Quilts - you collect baby quilts and deliver them to designated charity. We also have a yearly sew in.

Programming - you would be instrumental in deciding what we do as a guild. Janet Schoenfeld is willing to stay on and help out.

Membership - do you love a spreadsheet? You would enter new guild members into national database, send out a welcome letter and keep our member spreadsheet updated.

If you can help or know someone who wants to help, [please email Phyllis Cook here](#).
